## Councilmember Wright to Host Community Forum *Meeting Is Part of Continued Community-City Engagement*

STOCKTON – Stockton District 2 City Councilmember Dan Wright will host a community forum for constituents Saturday February 18, 2017. The meeting will focus on the key areas of improving affordable housing, job creation, public safety, and educational opportunities.

The community forum is free to attend. A complimentary barbecue lunch will be provided to all attendees.

“This forum offers the chance for District 2 residents to offer ideas on improving our community,” stated Councilmember Wright. “There will be experts in several fields who will be present to listen to the concerns and suggestions of our District 2 residents. The goal is to enact positive changes that will benefit north Stockton – and in particular the Kelley Drive neighborhood - in the coming weeks, months, and years.”

“As a candidate for city council, I pledged to have as many forums, town halls, and in-person meetings with constituents as possible,” said Wright. “We have already held one such productive meeting at Kennedy Elementary School. This next event is yet another of many I will have in my term as the representative for Stockton’s diverse District 2. I look forward to hosting and hope to hear thoughts from those in attendance.”

“It is my goal that as Stockton moves forward with new civic leadership, incidents such as homicides and other serious crimes will subside considerably. That is the objective of connecting neighbors to city government and policymakers. Residents demand and deserve to have their voices heard and acted upon,” concluded Wright.

The details of the community forum are as follows:
